

Raytheon Australia Backgrounder

Our Vision

To be Australia's premier Mission Systems Integrator and Mission Support agent delivering world-class performance to our customers.

With facilities across the country, Raytheon Australia is an industry leader in defence systems and a highly capable prime contractor with an engineering and technical workforce that is backed by world-class management and quality systems.

This local presence is bolstered by strong relationships with small and medium sized enterprises and access to the global resources of Raytheon Company.

It is an industry leader in defence, government and commercial electronics, systems integration, support services and special mission aircraft.

A Capable Company

Raytheon Australia provides Mission Systems Integration and Mission Support across the following core markets:

- Combat Systems;
- Electronic Systems; and
- Force Preparedness through training systems development and mission modelling.

Major Projects

- Mission Systems Integrator for Australia's new Hobart Class Air Warfare Destroyer Program
- Combat Systems Integrator for the Replacement Combat System on the Collins Class submarines
- Avionics Mission Support for the F-111 fleet and Naval Aviation Systems Program Office
- Aviation Retention and Motivation Initiative for the Royal Australian Navy
- Australian Defence Air Traffic System
- Hornet Aircrew Training System
- Electronic Warfare Training Services for the Royal Australian Navy
- AN/TPQ-36 Weapon Locating Radar system

Organisation

Raytheon Australia is structured for program delivery focused on our customer and with company wide expertise shared, through Cross Business Teams, across the organisation.

The Integrated Business Teams are:

- **Integrated Solutions**
Delivering Mission Systems Integration in the Air, Land, Undersea and Above Water Battlespaces for the Australian Defence Force and providing Professional Services to Government and Commercial Customers.
- **Mission Support**
Delivering Mission Support to the Australian Defence Force throughout the life cycle of a program.
- **Air Warfare Destroyer**
Raytheon Australia is the Hobart Class Combat System Systems Engineer — a key member of the Alliance team building Australia's leading edge Air Warfare Destroyers.
